

2011 Chris Newton Memorial Event

Golf - Friday afternoon June 3rd, Dinner/Silent Auction- Saturday, June 4th

Every 41 minutes somewhere in the United States , a child with life-threatening illness gets to put aside the agony of being sick, and for one small moment in time, thanks to the Make-A-Wish Foundation, gets to live their most heartfelt wishes.

For the past eleven years, the King of Swing Charities, founded by friends and family to celebrate the life and legacy of Christopher James Newton, has raised and donated over \$125,000. to the Gulf Coast Chapter of MAW. This unique group of young people, who conceived and run this 501 (3)(c) charity, have organized an annual community event that brings together families, neighbors, friends and businesses for a much anticipated weekend of golf, dinner, fellowship, fun and awareness of others in need.

This year the tournament again returns to the Woodlands Resort and Conference Center area, described as a "world-class destination". Offering incredible conference facilities, spectacular golfing, immaculate accommodations, 120 miles of hiking trails, and a special "Forest Oasis Waterscape" that will thrill children of all ages with its three story double-helix water slide, three separate pools, and computerized spout and fountains.

Sponsorship opportunities are available at multiple levels, with benefits that include advertising, publicity, new potential customers, AND the chance to help some very special children receive their dream wish!
