Still the best bargain in town!

GOLF - FRIDAY, June 3rd. Golfers will be greeted with a boxed lunch and goodie bags including the popular KOS logo golf shirt before joining a shot-gun start scramble on the Woodland's Panther Creek Course. Golfers of ALL skill levels are invited and encouraged to join in the fun. For the extremely talented or lucky, hole-in-prizes will be offered. Tournament trophies will be awarded at the end of the round. Sponsorship opportunities are available - SEE WEB SITE FOR MORE INFORMATION. Golfers are encouraged to come anytime after 11:30 A.M. to warm up and enjoy lunch.

DINNER/SILENT AUCTION, SATURDAY, June 4th. It's a beach party in the ballroom...AND this year we are opening the doors one hour earlier, at 5:00 P.M., allowing our guests more time to soak up all the fun and festivities. A Prime Rib dinner buffet, a fan favorite, is featured and executed by talented Woodlands chefs, and plans are underway to add a little "surf" to compliment the "turf" for this beach inspired evening. A special program presented by *King of Swing* team members highlights the evening for both adults and children. Along with our regular auction items, a special children's auction attraction has become highly popular with the younger set. Local musician, Kent "Honey-Boy" Nelson will again be sharing his special musical magic in the ballroom during dinner, after dinner and late into the evening for those who can stay.

Eric riding his trusty red wagon as he shops for his new furniture for his bedroom.

One of the most gratifying shopping spree wishes experienced this year was helping Eric get his wish for new bedroom furniture. Was this his first wish? No, because the "first" wish is not always one that can be granted. In Eric's case, he wished for a Service Dog that would be trained to alert his parents when he was about to have a seizure (yes, they do exist). Unfortunately, to have such a dog, the family would have to travel to Oregon for training and have a fully fenced back yard. Neither was possible for Eric. Instead he wished for bedroom furniture for his home which had been severely damaged during Hurricane Katrina and was in the process of being renovated. The folks at Ashley Furniture were of great help and Eric now is sleeping on his brand new bed!
